DELTA STEWARDSHIP COUNCIL

September 5, 2012

Fellow Council Members:

At the July 12, 2012 meeting the Council adopted a motion which directed staff to proceed with a number of specific actions regarding the Delta Plan:

- Revise the May 14 Draft Delta Plan in accordance with Council direction given at the May 24, June 14/15, June 28/29 and July 12, 2012, Council meetings. This revised version is referred to as the Proposed Final Draft Delta Plan.
- Present a redline and clean copy version of the Proposed Final Draft Delta Plan to the DSC Chair, and Vice Chair, for our review and approval of the changes as being consistent with Council direction.
- Post the Proposed Final Draft Delta Plan on the Council website, also in redline and clean copy form, at least 7 days in advance of the next Council meeting, after receiving clearance from the Chair and Vice Chair.

As indicated, we have reviewed in detail the redline version of the Proposed Final Draft Delta Plan, including the Appendices. Our review checked the staff changes against the Consent Checklist (which contained minor and non-substantive revisions) and the Council Action Checklist (containing policy related items), which were discussed and approved by the Council at the June 28/29 and July 12 Council meetings. We find the changes to be consistent with Council direction.

Sincerely,
